4. Residency

The Subrecipient has/will establish and is/will follow methods to assure that no requirements as to duration of residence or citizenship will be imposed as a condition of participation in the provision of services.

5. Coordination of Services - Section 321 (c)

In carrying out the provisions of the Older Americans Act and be more efficiently and effectively deliver services to older individuals, each Subrecipient will coordinate Older Americans Act services with other community agencies and voluntary organizations providing the same services. In coordinating the services, the Subrecipient will make efforts to coordinate the services with agencies and organizations carrying out intergenerational programs or projects.

6. Service Contributions - Section 315 (b) & 1321.67

Voluntary contributions shall be allowed and may be solicited for all services for which funds are received under the Older Americans Act if the method of solicitation is non-coercive. The Subrecipient has/will collect contributions for services in conformance with federal regulations and that the Subrecipient will not deny any eligible person a service because the eligible person will not or cannot contribute to the cost of the service. Contributions can be encouraged for individuals whose self-declared income is at or above 185 percent of the poverty line, at contribution levels based on the actual cost of services.

7. Cost Sharing - Section 315 (a) & (c)

The Subrecipient will not implement cost sharing for Older Americans Act services unless approved by the Egyptian AAA and will implement cost sharing for services in conformance with the provisions of Section 315 of the Older Americans Act.

C. Act and Regulatory Assurances

1. Section 212

The Subrecipient will submit to the Egyptian AAA, for prior approval, any proposed contracts with profit making organizations to provide services.

2. Section 305 (c)(1-4) & 1321.55 (a)(1)&(2)

A Subrecipient is either an agency whose single purpose is to administer programs for older persons, or a separate organizational unit within a multipurpose agency.

3. Section 305 (c)(5)

The Subrecipient will have the ability to develop a plan and to carry out, directly or through Egyptian AAA approved contractual or other arrangements, a program within the Subrecipient's service subarea.

4. Section 306 (a) & 1321.59

The Area Plan is for the three-year period specified by the State Agency. The Egyptian AAA has submitted an Area Plan or amendment to the State Agency in accordance with the uniform Area Plan format and other instructions issued by the State Agency.

5. Section 306 (a)(2)(A-C) & 1321.17 (f)(6)

The Subrecipient will expend an adequate proportion of the amount allotted for Part B to the subarea, in accordance with the policies developed by the State Agency and Egyptian AAA, for the delivery of each

of the following categories of services; access, in-home, and legal. The Subrecipient may request a waiver of this requirement in accordance with guidelines developed by the State Agency and Egyptian AAA and receives said waiver from the Egyptian AAA. The Subrecipient will report annually to the Egyptian AAA in detail the amount of funds expended for each such service category.

6. Section 306 (a)(3)(A) &- 1321.53 (c)

The Subrecipient has/will establish and is/will follow a method to designate, where feasible, a focal point for comprehensive service delivery in each community giving special consideration to designating multipurpose senior centers as such focal points.

7. Section 306 (a)(3)(B)

The Egyptian AAA will specify in grants, contracts, and agreements implementing the Area Plan, the identity of each focal point so designated.

8. Section 306 (a)(4)(A)(i) & 1321.17 (f)(2)

The Egyptian AAA will set specific objectives for providing services to older individuals with greatest economic need, older individuals with greatest social need, and older individuals at risk for institutional placement; and will include specific objectives for providing services to low-income minority individuals, older individuals with limited English proficiency, and older individuals residing in rural areas; and include proposed methods of carrying out the preferences by Subrecipients.

9. Section 306 (a)(4)(A)(ii)

The Egyptian AAA has/will include in each agreement made with a Subrecipient a requirement that such Subrecipient will (a) specify how the provider intends to satisfy the service needs of low-income minority individuals, older individuals with limited English proficiency, and older individuals residing in rural areas in the area served by the provider; (b) attempt to provide services to low-income minority older individuals, older individuals with limited English proficiency, and older individuals residing in rural areas in at least the same proportion as the population of low-income minority older individuals, older individuals with limited English proficiency, and older individuals residing in rural areas bears to the population of older individuals of the area served by such provider; and (c) meet specific objectives established by the area agency on aging, for providing services to low-income minority individuals, older individuals with limited English proficiency, and older individuals residing in rural areas within the service subarea.

12. Section 306 (a)(4)(C)

The Subrecipient will ensure that each activity undertaken, including planning, advocacy, and systems development, includes a focus on the needs of low-income minority older individuals and older individuals residing in rural areas.

13. Section 306 (a)(5)

The Subrecipient will coordinate planning, identification, assessment of needs, and provision of services for older individuals with disabilities, and individuals at risk for institutional placement, with particular attention to individuals with severe disabilities, with agencies that develop or provide services for individuals with disabilities.

14. Section 306 (a)(6)(A) & 1321.61 (b)(2)

The Subrecipient has/will establish and is/will follow methods to take into account in connection with matters of general policy arising in the development and administration of services, the views of recipients of services.

15. Section 306 (a)(6)(B) & 1321.61 (b)(1)

The Subrecipient has/will establish and is/will follow methods to assure that the Subrecipient will serve as the advocate and focal point for older individuals within the community by monitoring, evaluating, and commenting on policies and programs, hearings, levies, and community actions which will affect older persons.

16. Section 306 (a)(6)(C)(i)

The Egyptian AAA, where possible, has entered into arrangements with organizations providing day care services for children, assistance to older individuals caring for relatives who are children, and respite for families, to provide opportunities for older persons to aid or assist on a voluntary basis in the delivery of such services to children, adults, and families.

17. Section 306 (a)(6)(C)(ii)(I & II)

If possible regarding the provision of services under Title III, the Egyptian AAA will enter into arrangements and coordinate with organizations that have a proven record of providing services to older individuals that were officially designated as community action agencies or community action programs under Section 210 of the Economic Opportunity Act of 1964 (42 U.S.C. 2790) for fiscal year 1981, and did not lose the designation as a result of failure to comply with such Act; or came into existence during fiscal year 1982 as direct successors in interest to such community action agencies or community action programs that meet the requirements under Section 676(b) of the Community Services Block Grant Act.

18. Section 306 (a)(C)(iii)

The Subrecipient will make use of trained volunteers in providing direct services delivered to older individuals and individuals with disabilities needing such services and, if possible, work in coordination with organizations that have experience in providing training, placement, and stipends for volunteers or participants (such as organizations carrying out Federal service programs administered by the Corporation for National and Community Service), in community service settings.

19. Section 306 (a)(6)(D) & 1321.57 (a) & (b)

The Egyptian AAA has established an Advisory Council consisting of older individuals (including minority individuals and older individuals residing in rural areas) who are participants or who are eligible to participate in programs assisted under the Older Americans Act, family caregivers of such

individuals, service providers, representatives of the business community, representatives of older individuals, local elected officials, providers of veteran's health care (if appropriate), and the general public, to advise continuously the Area Agency on all matters relating to the development of the Area Plan, the administration of the Area Plan and operations conducted under the Area Plan.

20. Section 306 (a)(6)(E)(i-ii)

The Subrecipient has/will establish and is/will follow effective and efficient procedures for coordination of entities conducting programs that receive assistance under the Older Americans Act within the subarea served by the Subrecipient and entities conducting other Federal programs for older individuals at the local level, with particular emphasis on entities conducting programs described in section 203(b) of the Older Americans Act, with the service subarea.

21. Section 306 (a)(6)(F)

In coordination with the State agency and with the State agency responsible for mental health services, the Egyptian AAA will increase public awareness of mental health disorders, remove barriers to diagnosis and treatment, and coordinate mental health services (including mental health screenings) provided with funds expended by the Area Agency on Aging with mental health services provided by community health centers and by other public agencies and nonprofit private organizations.

22. Section 306 (a)(6)(G) & 1321.17 (f)(15)

The Subrecipient assures that if there is a significant population of older individuals who are Indians in the Subrecipient's service area, the Subrecipient will conduct outreach activities to identify such individuals and inform them of the availability of services under the Older Americans Act.

23. Section 306 (a)(7)

The Area Agency assures that it will facilitate the area-wide development and implementation of a comprehensive, coordinated system for providing long-term care in home and community-based settings, in a manner responsive to the needs and preferences of older individuals and their family caregivers, by the following.

- A. Collaborating, coordinating activities, and consulting with other local public and private agencies and organizations responsible for administering programs, benefits, and services related to providing long-term care;
- B. Conducting analyses and making recommendations with respect to strategies for modifying the local system of long-term care to better perform the following.
 - 1) Respond to the needs and preferences of older individuals and family caregivers;
 - 2) Facilitate the provision, by service providers, of long-term care in home and community-based settings; and
 - 3) Target services to older individuals at risk for institutional placement, to permit such Individuals to remain in home and community-based settings;
- C. Implementing, through the agency or service providers, evidence-based programs to assist older individuals and their family caregivers in learning about and making behavioral changes intended to reduce the risk of injury, disease, and disability among older individuals; and
- D. Providing for the availability and distribution (through public education campaigns, Aging and Disability Resource Centers, the area agency on aging itself, and other appropriate means) of information relating to the following.
 - 1) The need to plan in advance for long-term care; and
 - 2) The full range of available public and private long-term care (including integrated long-term care) programs, options, service providers, and resources.

24. Section 306 (a)(8)

The Egyptian AAA will provide that case management services provided under Title III through the Egyptian AAA will do the following.

- A. Not duplicate case management services provided through other Federal and State programs.
- B. Be coordinated with services provided by long-term care providers and long-term care facilities.
- C. Be provided by a public or a nonprofit private agency that--
 - 1) gives each older individual seeking services under Title III a list of agencies that provide similar services within the jurisdiction of the Area Agency.
 - 2) gives each older individual seeking services under Title III a statement specifying that the individual has a right to make an independent choice of service providers and documents received by such individual of such statement.
 - 3) has case managers acting as agents for the individuals receiving the services and not as promoters for the agency providing such services or is located in a rural area and obtains a waiver of the requirements described above.

25. Section 306 (a)(9)

The Egyptian AAA, in carrying out the State Long-Term Care Ombudsman Program under Section 307(a)(9), will expend not less than the total amount of funds appropriated under the Older Americans Act and expended by the Egyptian AAA in Fiscal Year 2000 in carrying out such a program under Title III.

26. Section 306 (a)(10)

The Subrecipient will provide a grievance procedure for older individuals who are dissatisfied with or denied services under Title III.

27. Section 306 (a)(11)

The Egyptian AAA will provide information and assurances concerning services to older individuals who are Native Americans, including-

- A. information concerning whether there is a significant population of older Native Americans in the planning and service area and if so, an assurance that the Area Agency will pursue activities, including outreach, to increase access of those older Native Americans to programs and benefits provided under Title III.
- B. an assurance that the Area Agency will, to the maximum extent practicable, coordinate the services the Area Agency provided under Title III with services provided under Title VI.
- C. an assurance that the Subrecipients will make services available, to the same extent as such services are available to older individuals within the service subarea, to older Native Americans.

28. Section 306 (a)(12)

The Egyptian AAA will establish procedures for the coordination of services with entities conducting other Federal or federally assisted programs for older individuals at the local level, with particular emphasis on entities conducting programs described in Section 203(b) within the planning and service area.

29. Section 306 (a)(13)

The Egyptian AAA assures that it will maintain the integrity and public purpose of services provided, and service providers, under Title III in all contractual and commercial relationships; disclose to the Assistant Secretary and State Agency the identity of each non-governmental entity with which it has a contract or commercial relationship relating to providing any service to older individuals; the nature of the contract or such relationship; demonstrate that a loss or diminution in the quantity or quality of the

services provided, or to be provided, under Title III by such agency has not resulted and will not result from such contract or such relationship; demonstrate that services will be enhanced by the contract and, on request of the Assistant Secretary or the State Agency, disclose all sources and expenditures of funds such agency receives or expends to provide services to older individuals.

30. Section 306 (a)(14)

The Subrecipient assures that funds received under Title III will not be used to pay any part of a cost (including an administrative cost) incurred by the Subrecipient to carry out a contract or commercial relationship that is not carried out to implement Title III.

31. Section 306 (a)(15)(A)

The Subrecipient assures that funds received under Title III will be used to provide benefits and services to older individuals, and the Subrecipient will give priority for services to older individuals identified in section 306 (a) (4)(A)(i) of the Older Americans Act.

32. Section 306 (a)(15)(B)

The Subrecipient assures that funds received under Title III will be used in compliance with the assurances specified in Section 306(a)(13) of the Older Americans Act and the limitations specified in Section 212 of the Older Americans Act.

33. Section 306 (a)(16)

The Subrecipient assures that funds received under Title III will be used to provide, to the extent feasible, for the furnishing of services under the Older Americans Act, consistent with self-directed care.

34. Section 306 (a)(17)

The Subrecipient assures that funds received under Title III will be used to include information detailing how the Subrecipient will coordinate activities, and develop long-range emergency preparedness plans, with local and State emergency response agencies, relief organizations, local and State governments, and any other institutions that have responsibility for disaster relief service delivery.

35. Section 306 (b) (1 & 2)

The Egyptian AAA may include in the Area Plan an assessment of how prepared the Egyptian AAA and Subrecipients are for any anticipated change in the number of older individuals during the 10-year period following the fiscal year for which the Area Plan is submitted. Such assessments may include the following.

- A. The projected change in the number of older individuals in the planning and service area;
- B. An analysis of how such change may affect such individuals, including individuals with low incomes, individuals with greatest economic need, minority older individuals, older individuals residing in rural areas, and older individuals with limited English proficiency;
- C. An analysis of how the programs, policies, and services provided by such area agency can be improved, and how resource levels can be adjusted to meet the needs of the changing population of older individuals in the planning and service area; and
- D. Analysis of how the change in the number of individuals age 85 and older in the planning and service area is expected to affect the need for supportive services.

36. Section 306 (b) (3)

The Egyptian AAA and Subrecipients, in cooperation with government officials, State agencies, tribal organizations, or local entities, may make recommendations to government officials on actions

determined by the Egyptian AAA to build the capacity to meet the needs of older individuals for the following.

37. Section 307 (a)(6) & 1321.17 (f)(9)

The Subrecipient agrees to make such reports, in such form, and containing such information, as the Egyptian AAA may require, and comply with such requirements as the Egyptian AAA may impose to insure the correctness of such reports.

38. Section 307 (a)(7)(A)

The Subrecipient assures that such fiscal control and fund accounting procedures will be adopted as may be necessary to assure proper disbursement of, and accounting for, Federal funds paid under Title III to the Subrecipient, including any such funds paid to the Subrecipients of a Sub-grant or Subcontract.

39. Section 307 (a) (7) (B) (ii) & (iii)

The Subrecipient assures that no officer, employee, or other representative of the Subrecipient is subject to a conflict of interest prohibited under the Older Americans Act and mechanisms are in place to identify and remove conflicts of interest prohibited under the Older Americans Act.

40. Section 307 (a)(8) (i-iii)

No supportive services, nutrition services, or in-home services will be directly provided by the Subrecipient, unless, in the judgment of the Egyptian AAA that provision of such services is necessary to assure an adequate supply of such services, or such services are directly related to the Subrecipient's administrative functions, or such services can be provided more economically, and with comparable quality by the Subrecipient.

41. Section 307 (a)(11)

With respect to legal assistance, the Egyptian AAA will follow these standards.

- A. Enter into contracts with providers of legal assistance that can demonstrate the experience or capacity to deliver legal assistance.
- B. Include in any contract provisions to assure that any Subrecipient of funds will be subject to specific restrictions and regulations promulgated under the Legal Services Corporation Act (other than restrictions and regulations governing eligibility for legal assistance under such Act and governing membership of local governing boards) as determined appropriate by the Assistant Secretary.
- C. Attempt to involve the private bar in legal assistance activities authorized under this Title, including groups within the private bar furnishing services to older individuals on a pro bono and reduced fee basis.

- D. No legal assistance will be furnished unless the grantee administers a program designed to provide legal assistance to older individuals with social or economic need and has agreed, if the grantee is not a Legal Services Corporation project grantee, to coordinate its services with existing Legal Services Corporation projects in the planning and service area in order to concentrate the use of funds provided under this Title on individuals with greatest such need and the Egyptian AAA makes a finding after assessment, pursuant to standards for service promulgated by the Assistant Secretary, that any grantee selected is the entity best able to provide the particular services.
- E. To the extent practicable, legal assistance furnished under the Area Plan will be in addition to any legal assistance for older individuals being furnished with funds from sources other than the Older Americans Act and that reasonable efforts will be made to maintain existing levels of legal assistance for older individuals.
- F. The Egyptian AAA will give priority to legal assistance related to income, health care, long-term care, nutrition, housing, utilities, protective services, defense of guardianship, abuse, neglect, and age discrimination.

42. Section 307 (a)(12)(A)

For services for the prevention of abuse of older individuals, the Egyptian AAA carrying out such services will conduct a program consistent with relevant State law and coordinated with existing State adult protective service activities for the following.

- A. Public education to identify and prevent abuse of older individuals
- B. Receipt of reports of abuse of older individuals
- C. Active participation of older individuals participating in programs under the Older Americans Act through outreach, conferences, and referral of such individuals to other social service agencies or sources of assistance where appropriate and consented to by the parties to be referred
- D. Referral of complaints to law enforcement or public protective service agencies where appropriate.

43. Section 307 (a)(15)

If a substantial number of the older individuals residing in the planning and service area are of limited English-speaking ability, then the Subrecipient will provide the following.

- A. Utilize, in the delivery of outreach services under section 306(a)(2)(A), the services of workers who are fluent in the language spoken by a predominant number of such older individuals who are of limited English-speaking ability
- B. Designate an individual employed by the Subrecipient, or available to such Subrecipient on a full-time basis, whose responsibilities will include the following.
 - 1) Take such action as may be appropriate to assure that counseling assistance is made available to such older individuals who are of limited English-speaking ability in order to assist such older individuals in participating in programs and receiving assistance under the Older Americans Act
 - 2) Provide guidance to individuals engaged in the delivery of supportive services under the area plan involved to enable such individuals to be aware of cultural sensitivities and to take into account effectively linguistic and cultural differences.

44. Section 307 (a)(16)

The Subrecipient assures that it will conduct outreach efforts that will do all of the following.

- A. Identify individuals eligible for assistance under the Older Americans Act, with special emphasis on all of the following.
 - 1) Older individuals residing in rural areas
 - 2) Older individuals with greatest economic need (with particular attention to low-income older individuals, including low-income minority older individuals, older individuals with limited English proficiency, and older individuals residing in rural areas)

 - 4) Older individuals with severe disabilities
 - 5) Older individuals with limited English-speaking ability
 - 6) Older individuals with Alzheimer's disease and related disorders with neurological and organic brain dysfunction (and the caretakers of such individuals)
- B. Inform the older individuals referred to in the clauses above, and the caretakers of such individuals, of the availability of such assistance.

45. Section 307 (a)(18)

The Egyptian AAA will conduct efforts to facilitate the coordination of community-based, long-term care services, pursuant to section 306(a)(7), for older individuals.

- A. Reside at home and are at risk of institutionalization because of limitations on their ability to function independently
- B. Are patients in hospitals and are at risk of prolonged institutionalization
- C. Are patients in long-term care facilities, but who can return to their homes if community-based services are provided to them

46. Section 307 (a)(23)(A) & (B)

The Subrecipient will make demonstrable efforts to coordinate services provided under the Older Americans Act with other State services that benefit older individuals and to provide multigenerational activities, such as opportunities for older individuals to serve as mentors or advisors in child care, youth day care, educational assistance, at-risk youth intervention, juvenile delinquency treatment, and family support programs.

47. Section 307 (a)(27)

The Subrecipient assures that the Area Agency and Older Americans Act-funded service providers will provide, to the extent feasible, for the furnishing of services, consistent with self-directed care.

48. Section 312 (1) & (2)

With respect to multipurpose senior centers, the Egyptian AAA assures if, within 10 years after acquisition, or within 20 years after the completion of construction, of any facility for which funds have been paid under Title III.

- A. The owner of the facility ceases to be a public or nonprofit private agency or organization
- B. The facility ceases to be used for the purposes for which it was acquired (unless the Assistant Secretary determines, in accordance with regulations, that there is good cause for releasing the applicant or other owner from the obligation to do so); the United States shall be entitled to recover from the applicant or other owner of the facility an amount which bears to the then value of the facility (or so much thereof as constituted an approved project or projects) the same ratio as the amount of such Federal funds bore to the cost of the facility financed with the aid of such funds. Such value shall be determined by agreement of the parties or by action brought in the United States district court for the district in which such facility is situated.

49. Section 321 (d)

Funds made available under Title III shall supplement, and not supplant, any Federal, State, or local funds expended by the Subrecipient to provide services described in the Older Americans Act.

50. Section 339

With respect to nutrition services, the Subrecipient has/will establish and is/will follow methods to assure that statutory and regulatory provisions concerning nutrition services, special requirements for nutrition service providers and food requirements for all nutrition service providers will be met.

51. 1321.17 (f)(3)

The Subrecipient has/will establish and is/will follow methods that ensure that all services are provided without the use of any means tests.

52. 1321.17 (f)(5)

The Subrecipient has/will establish and is/will follow methods that ensure that all older persons receiving services are provided the opportunity to voluntarily contribute to the cost of the services.

53. 1321.17 (f)(12)

The Subrecipient will establish and follow methods that assure that individuals with disabilities who reside in a non-institutional household with and accompany a person eligible for congregate meals provided through the Area Agency under this Part, shall be provided a meal on the same basis that meals are provided to volunteers pursuant to Section 339 (2)(H) of the Older Americans Act.

54. 1321.17 (f)(14)(ii)

The Egyptian AAA will annually submit the details of proposals to pay for program development and coordination as a cost of supportive services, to the general public for review and comment in accordance with the procedures established by the State Agency.

55. 1321.17 (f)(14)(iii)

The Egyptian AAA certifies that any such expenditure for program development and/or coordination has had a direct and positive impact on the enhancement of services for older persons in the planning and service area.

- A. Participation by faith-based organizations in Department of Health and Human Services Programs
- B. Title 45 of the Code of Federal Regulations Parts 74, 87, 92, and 96
- C. The rule provides that organizations are eligible to participate in Older Americans Act programs without regard to their religious character or affiliation, and those organizations may not be excluded from the competition for Older Americans Act grant funds simply because they are religious.

56. Compliance with the Rehabilitation Act
