INDEPENDENT AUDITORS' REPORT

Board of Directors
Egyptian Area Agency on Aging, Inc.
Carterville, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of Egyptian Area Agency on Aging, Inc. (a nonprofit organization) which comprise the statement of financial position as of September 30, 2017, and the related statement of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Egyptian Area Agency on Aging, Inc. as of September 30, 2017, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information listed in the Table of Contents is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 14, 2018, on our consideration of Egyptian Area Agency on Aging, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Egyptian Area Agency on Aging, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

September 30, 2017

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of Egyptian Area Agency on Aging, Inc.'s (the Agency) significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Organization

Egyptian Area Agency on Aging, Inc. is a nonprofit organization located in Carterville, Illinois, organized for the purpose of conducting, coordinating, and implementing social service programs for persons sixty years of age or older.

The Agency became incorporated on May 10, 1978, under the "General Not for Profit Corporation Act" of Illinois and is presently exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Agency is established as Area Eleven of the Illinois Department on Aging and services the counties of Alexander, Franklin, Gallatin, Hardin, Jackson, Johnson, Massac, Perry, Pope, Pulaski, Saline, Union, and Williamson.

The majority of the Agency's funding is received from the Illinois Department on Aging. Both Federal and State of Illinois funding is provided. Federal funds are authorized by the Older Americans Act of 1965, as amended, and are administered by the U.S. Department of Health and Human Services and the U.S. Department of Agriculture. The objective of the Older Americans Act of 1965, as amended, is to provide social service programs, including nutritional services, access, in-home, community, protective, nutritional, and disaster assistance services.

2. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

3. Cash and cash equivalents

For the purpose of the statement of cash flows, all liquid investments with a maturity of three months or less when purchased are considered to be cash equivalents. There were no cash equivalents at September 30, 2017.

4. Contributions

The Agency recognizes contributions of cash and other assets as revenue when all donor-imposed restrictions are met.

5. Unrestricted Net Assets

The Agency keeps approximately 10% of the grant funds from the various grants received for use of support services. The support service expenses are allocated to the specific grant in which funds were received. Unrestricted net assets for the Agency represent accumulated excess revenues over expenditures in the local cash fund. The funds in the local cash fund represent donations to the agency, and interest earned on funds held for use of support services during the year.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

6. Temporarily Restricted Net Assets

Temporarily restricted net assets for the Agency represents the grant funds received to be passed along to subrecipients, or used for support services allowed by the grants for the Agency. The funds are available to subrecipients to use for senior programs administered by the Illinois Department on Aging. Net assets of all funds excluding local cash are temporarily restricted for the use of administering senior programs specified by each grant. Total temporarily restricted net assets are in the amount of \$283,470 for 2017.

7. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

8. Equipment

In accordance with regulations of the U.S. Department of Health and Human Services, equipment purchased with funds provided by Title III of the Older Americans Act of 1965, as amended, are recorded as an expense at the time of purchase rather than capitalized and depreciated over their estimated useful life as required by generally accepted accounting principles.

9. Income Taxes

The Agency has been recognized as exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of state law. However, the Agency is subject to federal income tax on any unrelated business taxable income and any taxable income of the Agency. There were no uncertain tax benefits or liabilities identified and recorded as of September 30, 2017.

At September 30, 2017, no interest or penalties were attributed to the Agency. The Agency files income tax returns in the U.S. federal jurisdiction. With a few exceptions, tax returns are no longer subject to U.S. federal examinations by tax authorities for years ended September 30, 2013 and prior.

NOTE E - LEASED FACILITIES

The Agency leases its administrative facilities. Rent expense for the year ended September 30, 2017 was \$26,400.

The Agency is committed to future minimum operating lease payments as follows:

2018	\$	30,000
2019	\$	30,000
2020	\$	30,000

NOTE F - DEFINED CONTRIBUTION PENSION PLAN

The Agency provides a defined contribution pension plan for all employees who average a minimum of 22 hours of employment each week. Contributions of 7.3% of gross payroll are made to accounts of the employees. Employer contributions for the year ended September 30, 2017, were \$25,722. Within limitations, employees are allowed to make additional contributions into their own accounts. Employees voluntarily contributed \$37,309 into their own accounts during the year ended September 30, 2017.

NOTE G - CONTINGENCIES

The Agency receives support from the Illinois Department on Aging to carry out its social service programs for older persons. The Department requires specific conditions to be met, requires monitoring of subrecipients, and places restrictions on the disposition of equipment acquired under the support. Failure to meet these conditions could result in a return of grant funds. The Agency has placed controls over its activities to assure compliance with these requirements and has not received any notices of noncompliance.

EGYPTIAN AREA AGENCY ON AGING, INC.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

September 30, 2017

NOTE H - CONCENTRATION OF CREDIT RISK

The Agency maintains three different deposit accounts. Two of these accounts are with the Illinois funds. These deposits are collateralized by the underlying investments of the pool. The third deposit account is at the Bank of Herrin- Carterville Banking Center. This account is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At September 30, 2017, all accounts were fully insured.

NOTE I - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Agency's financial instruments consist of cash, prepaid expenses, grants receivables and grants payables for which their carrying amounts approximate fair values.

NOTE J - ECONOMIC DEPENDENCY

During fiscal year 2017, the Egyptian Area Agency on Aging, Inc. received approximately 99.9% of its support and revenue through federal and state programs. The future of this entity is therefore dependent on the continued funding of these programs.

NOTE K - SUBSEQUENT EVENTS

Beginning in fiscal year 2018, the Egyptian Area Agency on Aging, Inc. will begin administering the Community - Based options program. This program is expected to be approximately a \$970,000 grant.

Management evaluated all events and transactions that occurred after September 30, 2017 through March 14, 2018, the issue date of these financial statements. No material subsequent events were identified.

SUMMARY OF SERVICES PROVIDED

For the Year Ending September 30, 2017

ACCESS SERVICES

Information & Assistance and Case Management	Information & assistance and case management assist senior adults, their families, and caregivers with current information on resources and services available in their community. This service links individuals to services that are available; assess the challenges and capacities of the individual; and maximize the individual's access to services needed by establishing adequate follow-up. These services may be initiated by an older person, their family or caregiver, or another service provider.
Transportation	Transportation services include activities that enable individuals to gain access to community resources in order to receive services, reduce isolation, or otherwise encourage independent living. Activities include making special arrangements and the provision of special modes of transportation when needed.
Outreach	Outreach is initiated by the service provider for the purpose of identifying potential senior adults and their family and caregivers, and encouraging the use of existing services. Services include search and find activities, information on services, encouragement to participate in services, assistance in gaining access to services, follow-up, advocacy, giving community presentations about services.
Senior Employment	Senior employment is provided to people age 55 and over. Services include screening and referring participants to job training and one-stop shops, conducting follow-up, maintaining a resource directory, providing information to participants, responding to inquiries from the IDOA Senior Helpline, coordinating with local employment programs, and publicizing the job needs of participants.
Senior Health Assistance Program, Senior Health Insurance Program and MIPPA	Trained counselors help people with Medicare and other health insurance obtain coverage and solve problems. Assistance includes, applying for Medicare Prescription Drug Plans, Low-Income Subsidy, Medicare Savings Programs, SNAP, Medicaid, and license plate discounts through the Benefits Access Application.

IN-HOME SERVICES

Home Modification	Minor residential repair and adaptive devices to assist senior adults maintain their homes in conformity with minimum standards, or modify their homes to meet their physical needs. All repairs or renovations must meet local established standards and ordinances.

IN-HOME SERVICES -CONTINUED

In-Home Respite	In-home respite provides care or supervision to eligible functionally impaired senior adults and have a caregiver. This service enables the primary caregiver to experience short-term intermittent breaks from the direct care of the senior adult with impairments.
Home Delivered Meals	Home delivered meals are the provision of nutritious meals to senior adults who are homebound because of illness, physical or mental impairment, or otherwise isolated. Their spouse or an individual under age 60 with a disability that resides with them may also receive a meal. Each delivered meal contains at least one-third of the current recommended dietary allowance and menus are approved by a licensed dietician. Assessments are conducted to determine eligibility. Reassessments for eligibility are completed at least annually.
Gap-Filling	Gap-filling services are the purchase of essential, temporary, emergency services; personal aides; or assistive devices that are used to help caregivers secure the health and safety of the senior adult. Gap-filling services are also available for persons raising the children of their relatives.
Healthy IDEAS	Healthy IDEAS (Identifying Depression, Empowering Activities for Seniors) is a depression program designed to detect and reduce the severity of depressive symptoms in older adults with chronic health conditions and functional limitations. Healthy IDEAS includes screening and assessment of depressive symptoms, education about depression and self-care for clients and family caregivers, referral and linkage to health and mental health professionals, and behavioral activation. Behavioral activation is a brief, structured approach to help clients reduce depressive symptoms through increased involvement in meaningful activities, which are pleasurable or reduce stress.
Veteran-Directed Home Care	Veteran-Directed Home Care, also known as Illinois VIP or Veterans Independence Program, uses a Program Coordinator to assist veterans to design and direct their own service package as approved by the VA Medical Centers. The veteran or their authorized representative chooses the services that best fits their needs and is the employer of record, hiring and supervising all in-home workers.
Community-Based Options	Community-Based Options, or CBO, is a major program that began in FY2018. The purpose of the program is to allow non-Medicaid eligible clients of the Community Care Program to receive services that are not normally funded by the Community Care Program and better meet their service needs in order to remain independently in their own home or apartment in a safe manner.

COMMUNITY SERVICES

Adult Day Care as Respite/All Day Clubs	Adult day care as respite provides direct care and supervision of senior adults who are determined eligible. This service is provided for a portion of the day in a congregate setting outside the home. This service can provide personal care; promotes social, physical, and emotional well-being; and provides temporary respite for caregivers who are caring for a senior adult with impairments.
Strong for Life & Arthritis Foundation Exercise Programs	These programs target specific muscles that are important in every day movements such as getting out of a chair, walking, and balance. All exercise routines are performed in a seated or standing position. The program consists of exercising at least three times a week for three-month intervals.
Take Charge of Your Health	Take Charge of Your Health is two and a half hours, six-week workshop. It provides persons who have chronic diseases with the support they need to find practical ways to cope with pain and fatigue, discover better nutrition and exercise choices, and learn better ways to talk with their doctor and family about their health. It teaches goal setting and a systematic plan to improve their health and life. The workshop is led by trained volunteer leaders who may have chronic health conditions themselves.
Congregate Meals/Family Café Meals	<p>Congregate meals are the provision of nutritious meals in a congregate setting that helps to promote better health and reduce isolation. Each meal served contains at least one-third of the current recommended dietary allowance and menus are approved by a licensed dietician.</p> <p>Congregate meals are available to senior adults, their spouse, individuals with a disability who reside in housing facilities primarily occupied by senior adults where congregate meals are served, and individuals with a disability who reside in a home with an eligible participant and accompanies that participant to a congregate site.</p>
Aging and Disability Resource Centers	Aging and Disability Resource Centers function as “Coordinated Points of Entry” (CPoE). CPoE are integrated access points where consumers and clients, their families and the public receive information and assistance, assessment of needs, care planning, referral, assistance in completing applications, authorizations of services where permitted and follow up to ensure that referrals and services are accessed on aging and disability topics.

COMMUNITY SERVICES - CONTINUED

Retired and Senior Volunteer Program The Retired and Senior Volunteer Program, or RSVP, recruits people age 55 and older, although anyone over age 18 is accepted for this volunteer program. Individuals provide volunteer service in their communities that help their community solve its needs and problems. Special emphasis is placed on Health Aging (companionship and delivery of food) and K-12 educational tutoring (particularly reading and math).

PROTECTIVE SERVICES

Abuse Prevention Abuse prevention provides educational information to the public and training to staff and volunteers on the adult protective service programs of the Ombudsman program and Adult Protective Services. Educational information helps these programs be more effective. Staff and volunteers are provided initial and ongoing training to improve their skills and knowledge. Volunteer recruitment and training are especially important to support the efforts of the sub-state Ombudsman program.

Adult Protective Services APS responds to senior adults and persons with disabilities age 18 to 59, who are victims of neglect, abuse, or financial exploitation. APS activities include intake and screening of APS reports, assessments, case work on substantiated cases, and follow-up to assess the effectiveness of care plans. Early intervention services that can purchase short-term or emergency services for a victim when there are no other resources immediately available is available on a case-by-case basis.

Legal Assistance Legal assistance arranges and provides assistance in the protection of legal rights; including legal advice, research, wills, guardianship, and education. These legal rights are provided an attorney-at-law or law student under the supervision of an attorney for senior adults or his/her representative and persons raising the children of their relatives.

Senior Medicare Patrol SMP empowers consumers to help prevent healthcare fraud. SMP program staff and SMP volunteers educates people with Medicare and Medicaid as to how to protect themselves from fraud, detect fraud and report Medicare and Medicaid fraud, waste and abuse.

Ombudsman,
Deinstitutionalization,
and LTC Provider
Funds

Ombudsman services provide assistance by trained and registered individuals to or on behalf of residents living in long-term care (LTC) facilities, such as nursing homes and assisted living facilities. These trained and registered individuals assist in resolving residents' problems; secure and educate them about existing rights, benefits, and entitlements; and effect favorable changes in the law to develop additional rights, benefits and entitlements. This also includes disseminating information to LTC residents, their families, and the public on return from an institution to a community setting. Previously called "Money Follows the Person," deinstitutionalization assists a person living in a LTC facility that no longer needs to be institutionalized, safely move back into the community. The "Money Follows the Person" funding ended in FY2017.

Awareness

Awareness services are designed to provide warnings to the public concerning financial exploitation of the elderly and persons with disabilities. Pioneer / Culture Change, often funded through the Senior Illinois Pioneer Coalition, provides funding education and information and person-centered care planning.

FEDERAL FINANCIAL ASSISTANCE

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT
AUDITING STANDARDS*

To the Board of Directors
Egyptian Area Agency on Aging, Inc.
Carterville, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Egyptian Area Agency on Aging, Inc. (a nonprofit organization) which comprise the statement of financial position as of September 30, 2017, and the related statement of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 14, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Egyptian Area Agency on Aging, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstance for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Egyptian Area Agency on Aging, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Egyptian Area Agency on Aging, Inc
Carterville, Illinois

Report on Compliance for Each Major Federal Program

We have audited Egyptian Area Agency on Aging, Inc.'s compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of Egyptian Area Agency on Aging Inc.'s major federal programs for the year ended September 30, 2017. Egyptian Area Agency on Aging, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Egyptian Area Agency on Aging Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Egyptian Area Agency on Aging Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Egyptian Area Agency on Aging Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Egyptian Area Agency on Aging, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2017.

Report on Internal Control Over Compliance

Management of Egyptian Area Agency on Aging, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Egyptian Area Agency on Aging Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Egyptian Area Agency on Aging, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weakness or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
